

Privacy Policy

1 - Data Controller

Tecnopenta S.r.l., with its legal headquarters at Viale G. Galilei 7a/2, Teolo PD (Italy), ensures compliance with personal data protection regulations by providing the following information regarding the processing of data communicated or otherwise collected during navigation on this website.

2 - Processed Data, Purposes, and Legal Bases of Processing

Data generated by access to the site

The computer systems and software procedures responsible for the functioning of this website acquire, during their normal operation, some personal data whose transmission is implicit in the use of Internet communication protocols.

This data (such as domain names, IP addresses, operating system used, type of device or browser used for connection) is not accompanied by any additional personal information and is used to:

- i) gather anonymous statistical information on the use of the site;
- ii) manage the control of usage patterns;
- iii) ascertain responsibility in case of hypothetical computer crimes.

The legal basis that justifies the processing of such data is the necessity to make the site's functionalities usable following the user's access.

3 - Processing Methods and Data Retention Period

The collected data will be processed using electronic or automated tools, computer and telematic systems, or through manual processing with methods strictly related to the purposes for which the personal data was collected and, in any case, in a manner that ensures the security of the data. The data will be retained for the time strictly necessary to manage the purposes for which the data was collected, in compliance with applicable laws and legal obligations.

The data is stored on a local server protected by antivirus software, except for email addresses, which are also stored on the professional newsletter sending platform MailUP (MailUp S.p.A., Viale Francesco Restelli 1 – 20124 Milan, Italy).

4 - Data Subject Rights

At any time, it is possible to access the data, oppose its processing, or request the deletion, modification, or updating of all personal information collected by Tecnopenta S.r.l., by exercising the right to limit processing and the right to data portability, by sending an email to info@tecnopenta.com.

5 - Data Protection Officer

The data controller has appointed a data protection officer who can be contacted via email at info@tecnopenta.com.

With this, we extend our best regards.
